**This years golf outing
will benefit...**

The Dream Connection is a non-profit organization dedicated to fulfilling the special dreams of children ages 3-18 who are faced with life threatening or chronically debilitating illnesses in the East Tennessee area. A "dream come true" to a child can give back, in some small way, that which disease and illness have taken away.

Whether it's meeting someone they adore or visiting a place they never thought they would see, there's no dream too big or small that The Dream Connection can't make come true.

Help us make more dreams come true!
